RE: Unclassified employee pay raises and bonuses at autonomous agencies

Dear Public Auditor Cruz:

This letter is in follow-up to our earlier discussion regarding recent media reports that government employee compensation has been discussed during executive or closed sessions of autonomous agencies. Based on potential violations of the Open Government law, I am respectfully requesting that your office conduct an audit of those agencies for compliance with Guam law.

Should your findings merit a report to the Office of the Attorney General for action, we will be prepared to act accordingly.

Sincerely,

  
LEEVIN TAITANO CAMACHO  
Attorney General
